

15th March 2024

A BUSY WEEK AT WATERLOO

Dear Parents and Carers,

At the end of another very busy week, it gives me great pleasure to be able to tell you how hard the children have been working right across school – they really do make us all extremely proud.

Comic Relief

Many, many thanks for supporting Comic Relief today. As a school, we have raised over £960 which is absolutely amazing! All the money raised from the non-uniform day, and the selling of red noses, will go towards supporting many great causes. As ever, your generosity has been wonderful – thank you so very much.

Consultation Evenings

Just a reminder that our consultation evenings are being held on **Tuesday 26th March** and **Wednesday 27th March** from 3:30pm-6pm. This is a really good opportunity for you to see your child's work, and to find out from their teacher, how they are progressing across the curriculum. Appointment times should have come home with your child this week. If you have not received yours, or have not yet made an appointment, please speak to your child's class teacher.

Revoe Park

This week, we have received reports about a number of worrying incidents that have taken place on Revoe Park after school. A number of our children play in the park in the evenings and whilst we are absolutely in favour of the children having fun, the fallout from these incidents has made its way into school. If you have a child who plays on Revoe Park, please take the time to chat to them, just to ensure that they are staying safe and not getting involved.

Easter Bonnet Parade

I know that many of the children are already extremely busy making their bonnets for our Easter bonnet parade. We intend, weather permitting, to hold the event outside on the MUGA from **9:15am on Thursday 28th March**. Each class will take a turn on the catwalk, proudly displaying their Easter creations. Please do come along to support the children, this is always a really lovely event. **If your child is in Nursery, they will be holding their own Easter bonnet parade at 12.30pm, in the Nursery playground, on the same day.** Please do speak to Mrs Metcalf if you need any further information.

Waterpark

This weekend sees the second group of our Year 6 children embarking on their residential trip to Waterpark in the Lake District. It will be an action-packed adventure and we know that they will have lots of fun. The staff team will attempt to post updates on our school Facebook page so those at home can catch a glimpse of all the fun being had, but the Wi-Fi and signal in Ulverston can be poor. Huge thanks to Mr Jordan for organising the trip and to all the staff, who are giving up their weekend, to enable the children to have such a wonderful time away.

All the staff at Waterloo, wish all our children and their families, a wonderful weekend.

Kind regards,

Jenny Brown
Head of School
