What we use out funding for

The Pupil Premium allocation during 2016 – 2017 is targeted to support a wide variety of highly effective intervention strategies.

- Employment of specialist staff which includes speech and language, behavior therapy, family support, counselling, educational psychologist and many more.
- Additional teaching staff to allow smaller English and Math's classes
- Focus development for example Nurture Groups
- Comprehensive Enrichment activities beyond the curriculum for example, Zumba, video design and finger skateboarding.
