It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021-22, as well as on the impact it has on pupils' PE and sport participation and attainment.

All funding must be spent by 31st July 2023.

<i>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</i>	<i>Make sure your actions to achieve are linked to your intentions:</i>	<i>Funding allocated:</i>	<i>Evidence of impact: what do pupils now know and what can they now do? Provide a stimulating PE experience that challenges and motivate all pupils. Engage all pupils in PE & school sport through lunchtime and after school activities.	<ul style="list-style-type: none"> • Increase participation in extra-curricular activities • Provide a Change4Life club which is available to all pupils, targeting those who do not normally engage well with PE • Allow the children to monitor their own progress in PE • Appointment of lunchtime playleaders 	£17,573	Due to the pandemic, the impact of after school events and lunchtime sports has been significantly minimised to virtually nil. The appointment of playleaders however has ensured the children have been able to play in their year group bubble (without equipment) in a safe environment. After school clubs have not taken place regularly.	Academic year 2022-23 should see sports clubs resume and investment in high-quality equipment and resources for the play leaders to effectively support physical play at lunchtimes.
